Here's your chance!

A full day workshop session in our leading automotive training facility at the Docklands available throughout 2012.

Learn the basic skills you need to work on cars as part of this course for young people with additional learning needs.

Through hands-on, practical and project based training, students will develop skills:

- using and maintaining hand tools
- working safely with power tools
- developing teamwork and the right attitude for work

Industry learning includes:

- Panel and Paint
- Motor mechanics

Further studies are offered at our Broadmeadows campus in:

- Numeracy skills
- Self management
- Job seeking
- Literacy for work

You're encouraged to attend one of our information sessions to be held at the Automotive Centre of Excellence on:

- Monday 18th June 2012
- Monday 15th October 2012
