

# Have your say and shape our Disability Action Plan

Council aims to reduce barriers and discrimination and to increase inclusion and participation for people with all types of disabilities. How is this important to you?

Some priority areas in the Council Plan are to:

- Promote health and wellbeing
- Enhance the social and economic environment

What would you suggest as ways of making our shire a better place in relation to these areas?

How can we work with you to plan for the future?
