

PARENT PAYMENTS - VOLUNTARY CONTRIBUTION FOR STUDENTS 2024

Dear parent/guardian,

Payment by parents/carers is an important aspect of Sunbury & Macedon Ranges Specialist School's funding. These funds are used to support the provision of services which will sustain the programs Sunbury & Macedon Ranges Specialist School is able to provide. For example, these funds may be utilised as a Bus Levy which reduces the cost of school excursions and enables the school to purchase new buses when required. They may also be used to purchase equipment offered in addition to the standard curriculum program.

School Council recommends a contribution of \$500 per student. Students who attend part-time can pay a pro-rata amount.

Parents/Carers are requested to pay into the school's gift recipient account (Sunbury & Macedon Ranges Specialist School) for these contributions. If this donation is made freely with the knowledge that there can be no refunds and no material benefit obtained, then the parents/carers will be able to claim a tax deduction for this donation.
